Food delivery and transport temperature log

Business name: _____ **Kitchen (dispatch location):** _____ **Year, month:** _____

Limit hot (°C): _____ **Limit chilled (°C):** _____ **Thermometer no.:** _____

Probe the food, not the air in the box or van. Write the departure reading at loading and the arrival reading at hand-over, each when it is taken. The person who receives the food signs the line. If a reading is outside your limits, write what you did.

Date	Food	Hot or chilled	Ready at (time)	Vehicle, box	Destination	Departure time	Departure °C	Arrival time	Arrival °C	OK (Y/N)	Corrective action	Sent by	Received by (name, signature)
