Server tip tracker sheet

Business name: _____ **Period (from - to):** _____ **Sheet number:** _____

How tips are shared (your written rule): _____

Write one row per person and shift. Count the cash tips and print the tip total from the card terminal at the end of the shift. Share them by your written rule, write each person's share, and pay it. Each person signs for the amount they received.

Date	Shift	Staff member	Hours	Cash tips	Card tips	Service charge	Share received	Paid on	Signature
